Countertop Restoration & Maintenance

Your countertops are the centerpiece of your kitchen or bathroom. We specialize in repairing, restoring, and maintaining natural stone countertops, ensuring they remain durable, beautiful, and functional for years to come.

Floor Care & Restoration

Natural stone and tile floors endure heavy foot traffic, leading to wear and tear over time. Our floor restoration services include deep cleaning, honing, polishing, and sealing to revive the luster and longevity of your floors.

Bath & Shower Restoration

Showers and baths are prone to soap scum, hard water stains, and mold. We provide specialized cleaning, sealing, and restoration services to keep your bathroom surfaces looking pristine and hygienic.

Sealing & Protecting

We are certified in state-of-the-art solutions for protecting and enhancing natural stone and tile & grout surfaces. Natural stone and grout are porous and vulnerable to stains, moisture, and other damage. We apply premium sealants to create a protective barrier, ensuring your surfaces stay resistant to stains and etching.
