## WHAT WE SPECIALIZE IN

Let DEZ Services revitalize your home or business. Contact us today for a consultation and experience the difference that professional stone and tile restoration can make.

### ✓ **Natural Stone Restoration & Protection**

Breathe new life into your marble, travertine, limestone, and other natural stone floors, countertops, showers, and more. We are experts in remarkable transformations, banishing dullness and restoring their stunning appearance to a like-new condition.

### ✓ **Terrazzo Stripping & Polishing**

Our terrazzo restoration process eliminates the perpetual and costly cycle of stripping and waxing. We can achieve a lasting finish from gloss to matte — according to your preference.

 **Tile & Grout Cleaning, Sealing & Color Sealing**

We deliver tile & grout services that go far beyond sweeping, mopping, and scrubbing. Our restoration services include deep cleaning, grout color sealing, fixing grout cracks or filling in missing grout, and tile repair and replacement.

 **Corian/Solid Surface Countertops Repair**

It is not just stone that we service! We expertly repair and polish Corian and other solid surface brands. Scratches, cracks, or stains, our expert team has the experience to restore your surfaces to their original beauty.

 **Exterior Hardscapes Cleaning And Restoration**

We remove grime, stains, and wear from patios, walkways, and more. Revitalizing stone, tile, and pavers to their original beauty. Enhance your outdoor living space with our professional services.

 **Commercial Maintenance**

First impressions matter, especially in commercial and hospitality spaces, such as offices, hotels, health care facilities, restaurants, or stores. Let us help you make a great first, and lasting, impression.

 **Stone Sealing**

We offer multiple types of stone sealers. Impregnating sealers work by seeping into your stone's pores. This invisible protection repels water, oil, and contaminants. To highlight the color of your stone, an enhancing sealer is the solution. These sealers protect and enrich the stone's natural tones.
