Discover why the San Antonio and Austin TX areas rely on us for top-tier polishing and restoration—see the difference for yourself!

Natural Stone

Revitalize marble, granite, travertine, and more with precise cleaning, polishing, and sealing. We remove etches and scratches, then apply premium sealants for long-lasting beauty and defense.

Quartz Surface (Engineered Stone)

Restore the look of quartz countertops by repairing chips, cracks, and dull spots. We then polish and seal surfaces, protecting against stains and damage while preserving a like-new finish.

Tile & Grout

Eliminate deep-set dirt and stains from tile and grout with targeted cleaning. We then seal or color seal grout lines, ensuring lasting stain resistance and a fresh, uniform appearance.

Concrete

Transform concrete with expert polishing or high-performance coatings ideal for garages. We grind, hone, seal, and apply durable finishes to boost shine, style, and protection.

Terrazzo

Bring terrazzo back to life by removing old coatings, repairing imperfections, and polishing to a bright sheen. Our careful process preserves color and maximizes durability.

Exterior Hardscapes

Rejuvenate patios, walkways, and walls by removing embedded dirt and grime. We restore natural color, then apply a protective finish for enduring beauty and resilience.
